REVLON
LOVE IS ON™

REVLON PhotoReady Eye Art in Desert Dazzle, PhotoReady Eye Art in Burnished Bling, \$21.95; PhotoReady Kajal Matte Eye Pencil in Matte Espresso, \$23.95.

DATE HOW-TO

1. Take the **PhotoReady Eye Art in Desert Dazzle** and blend it over the lid from the lash line up to the crease.

2. With an angled eyeliner brush, apply the same shade along the lower lash line. Keep your eyes closed until the product is dry.

3. Draw a sleek line of **PhotoReady Eye Art in Burnished Bling** along the upper and lower lash line, using an angled eyeliner brush for precision.

4. Add two strokes of **PhotoReady Kajal Matte Eye Pencil in Matte Espresso** to the upper lash line and use the built-in smudger to work it into the inner rim.

5. Gently pat the sparkling side of the **PhotoReady Eye Art in Burnished Bling** over the lid. Once dry, finish with **PhotoReady 3D Volume Mascara**.

Use one to achieve a natural look or be adventurous and try a few to add va-va-voom to your look!

MELANIE BURNICLE, REVLON MAKEUP DIRECTOR, AUSTRALIA & NEW ZEALAND

Born and raised in Sydney, Melanie Burnicle's love affair with makeup started at an early age. Her talent, passion and creativity has seen Melanie work with celebrities both locally and around the world.

WORK READY

Office-appropriate makeup doesn't need to be boring. Start with fresh skin using **Revlon PhotoReady BB Cream** then turn to a pretty peach eyeshadow for a subtle hint of colour and luminosity. Softly smudged grey eyeliner will add depth for a sophisticated finish.

REVLON PhotoReady Eye in Peach Prism, \$21.95; PhotoReady Kajal Matte Eye Pencil in Matte Charcoal, \$23.95.

WORK HOW-TO

1. Smooth the **PhotoReady Eye in Peach Prism** from the lash line to the crease then blend it in with the tip of your finger to create a soft finish.

2. With a small angled eyeliner brush, apply the same shade along the lower lash line.

3. Take the **PhotoReady Kajal Matte Eye Pencil in Matte Charcoal** and etch a V-shape along the outer corners then use the in-built smudger to soften the line.

4. Apply the sparkling end of the **PhotoReady Eye Art in Peach Prism** at the inner corners to really open up the eyes.

5. To elongate the lashes, swipe the **PhotoReady 3D Volume Mascara** from root-to-tip.
